Dear Parents/Carers

It has been a busy first half term of the year and these first 8 weeks have rushed by! A warm welcome to all of our new families who have joined the Dallow community.

It was lovely to welcome parents to our class meet and greet sessions to meet the class teacher and learn about your child's curriculum. Thank you for coming in to support your child, we love having you in school. Remember that each half term we share a summary of what your child will be learning in each subject. This is also on the website and the electronic board outside the front office (which is currently broken but we are trying to repair it!). We have Parents' Evening next half term, please make sure that you book an appointment with your child's teacher when the booking opens. We look forward to seeing you and sharing your child's learning journey with you.

Y6 enjoyed a trip early in the year to Wardown Museum to support their WW2 topic and learn about local history. A group of children from across KS2 were lucky enough to be invited to the Let's Not Forget launch event of the Mary Seacole organisation who have created a history heritage trail around the local area. You will have seen a board outside the front gate with a QR code. If you scan the QR code a hologram appears and gives you a brief history of what it was like to live on Dallow Road in the past. It was a great event and such a fun way to learn about the history of the local area. Perhaps it's something you could do as a family over half term?

The school photographers were recently in school, if you wish to buy a photo of your child (ren) please order on the Kittle portal - details are on the slip that was sent home to you.

I am delighted to share that we have received a Music Mark of Recognition for Dedication and Improvement from Luton Music Service; we work closely with LMS to provide a music education to our children.

Please make sure that your child is in the correct uniform: grey trousers or grey pinafore dress, grey tights, grey socks, white polo shirt, red Dallow jumper or cardigan and black shoes (not trainers). On a PE day your child must come to school in full uniform and change into their PE kit at school.
If you need help with uniforms, please see the Family Workers as they have a supply of good quality second hand uniforms. The Level Trust Uniform Exchange in the town centre Mall can also help families. Similarly, the Family Workers can also help with foodbank vouchers if your family needs support.

Have a lovely half term and I look forward to welcoming the children back to school on Monday 2nd November. We have an **INSET DAY on Friday 27th November when the school is closed** and we break up for Christmas on Friday 18th December.

Best wishes,

KLLovell
